## **The Day Soldiers.**

Eighteen year old Lily Baxter always knew the Day Soldiers would be a major part of her life. She had been preparing for it since she was eight. She was ready to go to war. The one thing she wasn't prepared for was the day the war came to her.

Part horror, part comedy, part adventure, Day Soldiers will take you on an exciting ride through a world where monsters are monsters and the only thing they fall in love with is the taste of human blood.
