Juegos en pareja (Games to Keep Passion Alive) (Spanish Edition) (Actualidad (Punto de Lectura))

Anabel Ochoa

The passing of time and the humdrum of everyday life can wipe out the thrill and spontaneity of a burgeoning relationship. Playing games is one of the most powerful aphrodisiacs available to us. Your only limitation is also the tool that can help you build a more ardent relationship: your imagination. Filled with essential advice, this book is a must-have for all couples who wish to maintain the spark of passion alive.

Spanish Description: En estas paginas encontramos el estilo sencillo, abierto y bien informado que convirtio a la doctora Anabel Ochoa en la especialista mas reconocida por el publico en temas de sexualidad y relaciones de pareja. Este libro brinda consejos indispensables para todos aquellos que quieren impedir que el paso del tiempo y el tedio desgasten la vida en pareja, aniquilando las emociones y la espontaneidad que surgen al inicio de la relacion. La autora recomienda uno de los afrodisiacos mas potentes: el juego. El animo ludico es un elemento indispensable para mantener o revivir la pasion, la excitacion y las famosas "mariposas en el estomago". Para no dejar de experimentarlas, ejemplifica varias fantasias, dinamicas y juegos para encender la chispa sexual, divertirse con tu pareja y generar mayor cercania y comunicacion, al volverse complices uno del otro. Un libro que no pueden perderse aquellos que se niegan a permitir que la costumbre y el aburrimiento aniden en su hogar. Pues, como afirma la propia autora, el unico limite que tienes es al mismo tiempo la herramienta que te llevara a construir una relacion mas intensa: tu imaginacion.

John Edmondson:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to there but

nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Juegos en pareja (Games to Keep Passion Alive) (Spanish Edition) (Actualidad (Punto de Lectura)) can make you experience more interested to read.
