This novella is a companion story in the Karli Lane series. It covers the first third of Pixie Dust told from a never-before-seen point of view. It is meant to be read after enjoying the first two full length novels in the series: Pixie Dust & Vampires, Warlocks, and Exes ~ Oh My!

As a powerful warlock and supernatural detective, Vance Alexander didn't think anything could surprise him. He's seen it all in Sin City over the years. Or so he thought. Then one night his world is flipped upside down when he meets the mysterious Karli Lane at the scene of a horrific murder.

Karli is the most frustrating, sexy, and intriguing woman he's ever known. She's hiding something big and he's determined to unmask her secret while protecting her from the vampire who's looking to make her his next meal. He finds himself calling upon his professional and magical skills in attempt to solve the case, beat the vampire, and get the girl.
