## Northwest Corner: A Novel John Burnham Schwartz

*The New York Times Book Review* called *Reservation Road* "a triumph", and the novel was universally acclaimed. Now, in a brilliant literary performance by one of our most compelling and compassionate writers, John Burnham Schwartz reintroduces us to *Reservation Road*'s unforgettable characters in a superb new work of fiction that stands magnificently on its own.

*Northwest Corner* is a riveting story about the complex, fierce, ultimately inspiring resilience of families in the face of life's most difficult and unexpected challenges. Twelve years after a tragic accident and a cover-up that led to prison time, Dwight Arno, now 50, is a man who has started over without exactly moving on. Living alone in California, haunted yet keeping his head down, Dwight manages a sporting-goods store and dates a woman to whom he hasn't revealed the truth about his past. Then an unexpected arrival throws his carefully neutralized life into turmoil and exposes all that he's hidden.

Sam, Dwight's estranged college-age son, has shown up without warning, fleeing a devastating incident in his own life. In its way, Sam's sense of guilt is as crushing as his father's. As the two men are forced to confront their similar natures and their half-buried hopes for connection, they must also search for redemption and love. In turn, they dramatically transform the lives of the women around them: the ex-wives, mothers, and lovers they have turned to in their desperate attempts to somehow rewrite, outrun, or eradicate the past.

Told in the resonant voices of everyday people gripped in the emotional riptide of lived life, *Northwest Corner* is at once tough and heart-lifting, an urgent, powerful story about family bonds that can never be broken and the wayward roads that lead us back to those we love.

#### **Susan Negri:**

Is it you actually who having spare time then spend it whole day by watching television programs or just laying on the bed? Do you need something new? This Northwest Corner: A Novel can be the solution, oh how comes? It's a book you know. You are so out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

#### **Ian Sharpless:**

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Northwest Corner: A Novel can make you feel more interested to read.
