***The SOAR Study Skills book is in over 3,500+ schools and in 20 different countries world-wide.***

"Bottom line: Get the book; you won't be sorry. We've only had it for under a week, and it has already proven its worth 10 times over."

- **Sharmian L. White, Parent**

**Why SOAR Study Skills?** Read the book. Apply the brain-friendly strategies, and...

- **Raise Test-Scores** in every subject area.
- **Raise Writing-Scores** in a single semester.
- **Raise GPA** and school confidence.
- **Master Executive Function** techniques for improved intelligence.
- **Gain High-Speed Learning** techniques that cut back study-time, as much as **50%**.
- **Achieve - Better grades... in less time.**

**How can SOAR Study Skills guarantee all of this?** It's simple, SOAR teaches you what your school does NOT. And that is... how to learn. It is the most essential, fundamental, and basic element to any education, but schools still don't address it. State curriculum's are demanding schools to cover increasingly heavier amounts of content, with no added time, which leaves teachers with no time for teaching the vital learning strategies, and life-skills kids really need!

"SOAR has been a Godsend to our family...You have no idea! My son has not lost one assignment or forgotten anything at school since I set him up with your Binder System. You really demonstrated how to simplify the organizational process and I am so grateful to have found something that finally works!" -- **Paul K., Middle School Parent**

## **10 Strategies covered in SOAR Study Skills:**

1. Time & Task-Management
2. Organizing at Home & School
3. Writing Strategies
4. Note-Taking Strategies
5. Test-Taking Strategies
6. Paper Organization

8. Communication Skills
9. Reading Skills
10. Goal-Setting

**Is the education system setting kids up for failure?** Students are learning a ton of new technical knowledge each semester. But, very few are able to juggle their new knowledge, time, and tasks all at once. Organizing papers, managing time, managing tasks, taking tests, taking notes, studying, communicating, organizing at home. These are all **HUGE** functions in everyday school-life... yet schools don't teach it! Students *struggle* in school, not because of their lack of intelligence, but because they haven't been taught... how to learn!

**Alright class, so what is the *missing link* in education?** HOW TO LEARN! Very good! Get your child ahead in school by providing them the proper skills needed to be a successful student, but more importantly, a successful learner.

**Do you struggle with test-taking?** Flip to page 92. Begin to discover the tips and tricks you can use immediately, for test taking success.

**The strategies in this book are *appropriate* for students in:** upper elementary, middle school, high school, & college.
