"In The Power of Habit, Pulitzer Prize-winning business reporter Charles Duhigg helps us understand why we do what we do along with how we can change the things that we do everyday unconsciously. The original book covers scientific discoveries that explain why habits exist and how they can be changed. The information that the original book contained has been Distilling vast amounts of information into engrossing narratives that take the reader from the boardrooms of Procter & Gamble to sidelines of the NFL to the front lines of the civil rights movement,

The Author presents with a whole new understanding of human nature and its potential. At its core, The Power of Habit contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives.
