## **Master of Formalities** Scott Meyer

Even when finding oneself engaged in interstellar war, good form must be observed. Our story is set thousands of years after the Terran Exodus, where two powerful, planet-dominating families—the elegant House Jakabitus and the less refined Hahn Empire—have reached a critical point in their generations-long war. Master Hennik, the Hahn ruler's only son, has been captured, and the disposition of his internment may represent a last and welcome chance for peace.

Enter Wppard, the impeccably distinguished and impossibly correct Master of Formalities for House Jakabitus. When he suggests that Master Hennik be taken in as a ward of the House, certain complications arise. Wppard believes utterly and devotedly in adhering to rules and good etiquette. But how does one inform the ruler of a planet that you are claiming his son as your own—and still create enough goodwill to deescalate an intergalactic war?
