## Star wars: dark forces: jedi knight William C. Dietz

As 1999 approaches, anticipation for the release of the first of the new trilogy of *Star Wars* prequel films is growing. But this interest in what went before has in no way diminished enthusiasm for the continuation of stories set in the familiar universe where Luke Skywalker and the Rebel Alliance still battle the evil Empire. The *Dark Forces* trilogy is set firmly in that universe. And in *Jedi Knight*, the final volume, *Star Wars* fans will learn more about a hero whose actions helped change the course of the struggle. The worst has happened--the Dark Jedi Jerec has learned the location of the fabled Valley of the Jedi. Kyle Katarn,

former Imperial soldier-turned-Rebel agent, and his partner, Jan Ors, race across the galaxy to head him off. But they arrive too late. The planet Ruusan has been taken over by Jerec and his followers, who are plundering at will,

brutally crushing all opposition. Now only Kyle Katarn, who is only just learning to use the Force within him, can stop the Dark Jedi from fulfilling his plan to seize control of the

enormous power trapped in the Valley. The stage is set for a final confrontation between Katarn and the man who killed his father. But will he be able to get beyond his hatred of Jerec and become, truly, a Jedi Knight?
