The End is Nigh...Again is a book like no other. Its palpable enthusiasm literally scoops up the reader and guides them through a hilarious true life tale of a young boy called Douglas who, through no fault of his own, finds himself born into a fundamentalist religion. With his tongue firmly in his cheek, Douglas Lee tells this family saga story of his life as a second generation Jehovah's Witness and of his experiences within this bizarre religion. He candidly exposes the web of sin that lies beneath the holier-than-thou facade they present to the world and takes the reader on a roller coaster ride of sex, incest, paedophilia, debauchery, wife swapping and a host of other jaw dropping and highly original sins.
