**"Inspired by the true story behind Jackie Kennedy's iconic outfit, Kelby has stitched a compelling tale of politics, fashion and history."-People**

On November 22, 1963, the First Lady accompanied her husband to Dallas dressed in a pink Chanel-style suit. Much of her wardrobe, including the pink suit, came from the New York boutique Chez Ninon where a young Irish immigrant named Kate worked behind the scenes to meticulously craft the memorable outfits.

Kate is torn between the glamorous world of Chez Ninon and her traditional Manhattan neighborhood. Finding balance is not easy in a time when women are still expected to follow the rules. And when you're in love, it's impossible.

Kelby's luxurious narrative gives fascinating insight into the real story behind the iconic pink suit, introducing the reader to the wildly unforgettable characters that made the First Lady into the fashion icon of the century.
