It has been estimated that the Nazi Holocaust killed one Jew in three. The worst is yet to come. The next – and, soon coming – Holocaust will take two out of three Jews.

“And it shall come to pass, that in all the land, says the LORD, two parts therein shall be cut off and die; but the third shall be left therein.” Tanakh: Zechariah 13:8

This book discusses in detail how the enemy of Israel – Satan – will try to juxtaposition Babylon (a real city) in opposition to Jerusalem: both spiritually and physically.

Most people do NOT realize that the KEY enemy of Israel has clandestine architectural and strategic – as well as spiritual – plans against Israel. Plans that include much more than Iran or ISIS or the UN.

After Israel's future military victory – the greatest since Passover in Egypt – will come her weakest moment ... unless she listens to the warnings and suggestions in this book.

This is NOT just a juxtaposition of position, but of timing as well. Referencing the not-so-distant End Time prophetic events ? real time, real events — with the present geopolitical landscape, the reader will learn:

The soon coming – the worst – Jewish Holocaust;

Babylon – New World Order substitute – for Jerusalem; and,

The only game plan – that will work – for Israel and the Jews.
