## Esoteric Orders and Their Work Dion Fortune

*Esoteric Orders and their Work* examines how and why esoteric schools have restricted admission to their secret societies and orders, and shrouded their practices in mystery. The knowledge guarded by these schools-passed down through the ages, and revised from time to time by great teachers-is a secret traditional science that studies the causes that lie behind observable phenomena.

Dion Fortune reveals every aspect of these secret organizations and the training they offer to initiates.

**Revised edition contains a new introduction by Gareth Knight, and an index.**
