## **Interim Errantry: Three Tales of the Young Wizards** Diane Duane

What happens between book 9 of the Young Wizards series, *A Wizard of Mars*, and the forthcoming book 10, *Games Wizards Play*? Diane Duane answers the question in this volume, collecting together the three canonical works that constitute a "transitional trilogy" between books 9 and 10 -- a 150,000-word extravaganza of untold tales to help keep you going until the tenth book comes out in February 2016. *Interim Errantry* contains: The novella *Not On My Patch*, the tale of an unusual Halloween in the Young Wizards' neighborhood, featuring overage Trick Or Treating, suburban zombies, and the Attack of the Killer Pumpkins. The novelette *How Lovely Are Thy Branches*, a holiday-themed Young Wizards story in which an alien wizard who looks a lot like a Christmas tree gets the gift he wants most -- decorations -- and a memorable party and sleepover party are disrupted by a superblizzard and an incursion of alien ghosts. And finally, the new original Young Wizards novel *Lifeboats*, the tale of a distant world threatened by unavoidable doom, an intervention that takes thousands of Earth's wizards, young and old, into harm's way, and a Valentine's Day that absolutely doesn't go as planned... So settle down with a pumpkin spice latte (or a hot cocoa, or even just some tea and saltines...) and get ready to enjoy the highlights of autumn 2010 and winter 2011 in the Young Wizards universe!
