*It's not that Ryuu's a bad loser – he just wants things to be in order. And in the natural order of the universe, he should not be losing to dorks.*

Losing is a thing Japanese pop star Ryuu Shiwasuda does not do – certainly not gracefully. Image is everything to hot-headed Ryuu. Sure, his macho bluster is only a cover for shyness and social awkwardness, but he takes it (and himself) very seriously.

So when gratingly cheerful punster Hiro Takahashi delivers the ultimate insult of letting Ryuu win at a video game, Ryuu is cut to the quick, and vows swift vengeance. Can't be too hard to beat a dork like Hiro, right?

Wrong. As Ryuu chases after his elusive victory, he's forced to add more and more items to the list of "things to beat Hiro at" – and is shocked to find that Hiro's quirky charm is sparking never-before felt desires in him.

Ryuu's life and career have no place for a male lover. But he's already in too deep. Can he risk going all in? And what does he stand to lose if he doesn't?

**Length of Volume I:** 55,000 words

## Six easy steps. Three volumes.

Don't miss the other books in the series!
