**Skylar and Stella are searching for treasure in a cave when a huge tiger-like creature chases them out. As it turns out, Skylar has that creature's treasure map...and it wants it back! Also, much to their surprise, this tiger-like creature is normally an adorable, pirate-hat-wearing, spacesuit-donning, eye-patch-sporting pirate cat! What kind of treasure could this pirate cat be after?**

After being given their own pirate costumes, the two board the pirate cat's spaceship and embark on the ultimate treasure-hunting experience. They hop from planet to planet—braving the arctic-like chill of one planet for the key and ending up in the humid tropical heat of another, where the treasure lay. As it turns out, you can demand keys from Iceblurbs, and convince possessive, treasure-hoarding hamsters to share with a little bit of peanut butter bribery.

At long last, they have access to the treasure chest. What could be inside? There is a saying that one man's trash is another man's, or in this case, pirate cat's treasure. It couldn't be any truer here!
