The Maybrick Case: A Treatise on the Facts of the Case, and of the Proceedings in Connection (Classic Reprint) Alexander William Macdougall

Maybrick case, in consequence of the public excitement caused by the Mystery in which the case was involved, the Press furnished the country with every detail and with verbatim reports of the whole proceedings, including the Inquest, the Magisterial Inquiry, the Judge's charge to the Grand Jury, the Trial, and the Reasons for the advice given to the Queen by the Home Secretary, and an opportunity is thus afforded to the public, (namely that the excitement has subsided in fact, has been followed by of carefully studying how criminal proceedings are conducted and of reflecting whether, as so conducted, they furnish that protection to society which they are intended to provide. It is the personal duty of every individual in this country, not merely as a public duty but as a duty of self-protection, to watch rimilantly the administration of justice, and to scrutinise jealously the conduct of those who are entrusted with the administration of justice, and this is especially so in matters which affect the Life and Liberty of the subject. In this treatise the text will be exclusively confined to the facts of the case and the proceedings as they appear in the reports, and to observations upon those facts and those proceedings. Any other or subsequently acquired information will appear as notes, wherever such additional information may throw light upon the subject of the text itself.
