## **Trombone Position Chart** William Bay

An easy-to-understand position chart featuring chromatic, major, and minor scale studies. A helpful photograph labels the parts of the trombone. Elementary trombone positions are also diagrammed with a description of all positions up to and including sixth position. The range of the trombone is then shown in notation, with note names and their corresponding positions labeled. This handy chart is great for the beginner, and can be easily carried along with other study books.
