30 things you should know about singing- A singing manual for beginner singers and performers: I remember singing as a young person and deriving so ... singing errors which people still make today.

Oluwakemi Odujinrin

In this book are essential tools to singing successfully. This book, prepares you by giving you the confidence you need to sing. These can be gained through knowing what it takes to begin and this book offers you that. What it takes to sing well, includes being aware, knowing your range and developing a know how about singing. You can always go back to this book and get the encouragement you need to attend a rehearsal and be successful and to sing within any type of group. Whether you are an experienced or budding singer, this book provides you with the tools you will need to carry on or begin. This book shows that singing is not hard if you are willing to learn, be patient with yourself and grow. I am very aware of the love that a lot of people have for singing and this has prompted me to write this book. It creates such joy in my heart to know that someone can learn from what I know and not have to go through all the unnecessary stress of stepping into the delightful territory of singing. To sing is to bring life to a song or poem and to be able to that beautifully takes time and the humility to learn. I wish I had a book like this to guide me when I first started to sing.
