## **Evidence** Luc Sante

Following *Low Life*, Luc Sante's acclaimed evocation of the underside of New York City's history, *Evidence* is an investigation into the mysteries of crime, death, and photography that only this brilliant and original writer could conduct.

In one sense *Evidence* is a picture book - a collection of 55 evidence photographs taken by the New York City Police Department between 1914 and 1918. These are startling images, some brutal, some poetic, and all possessed of a strange and spectral beauty.

Luc Sante minutely examines these pictures of crime scenes and draws them out by every possible means: speculating about the lives and deaths depicted; discussing the progress of the forensic use of photographs and the mission of photography itself; and, where possible, reconstructing the events that led up to these frozen terminal images. *Evidence* is many things at once: aesthetic object, historical and sociological document, mystery novel, memento mori, and time machine.

#### **Deborah Ellefson:**

Is it anyone who having spare time subsequently spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This Evidence can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?

#### **Joseph Vargas:**

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Evidence can make you experience more interested to read.
