Frankenstein

Mary Wollstonecraft Shelley

Frankenstein Mary Wollstonecraft Shelley

The text of this Norton Critical Edition is that of the 1818 first edition, published in three volumes by Lackington, Hughes, Harding, Mavor, and Jones, in which only obvious typographical errors have been corrected. This text represents what *Frankenstein's* first readers encountered and is the text favored by scholars. A special critical section, *Composition and Revision*, includes essays by M. K. Joseph and Anne Mellor that address the issues surrounding teachers' choice of text.

Contemporary perspectives of the text are provided in two sections: Contexts helps place the novel in relation to the mind of its creator through writings by Mary Shelley, Percy Bysshe Shelley, Lord Byron, and John William Polidori; Nineteenth-Century Responses collects six reactions to the book from the years 1818 to 1886.

Criticism brings together twelve seminal essays. The emphasis is on range?both critical (psychoanalytic, mythic, new historicist, and feminist essays are included) and chronological (essays span the last thirty years). Christopher Small, George Levine, Ellen Moers, Sandra M. Gilbert and Susan Gubar, Barbara Johnson, Mary Poovey, Gayatri Chakravorty Spivak, William Veeder, Anne K. Mellor, Susan Winnett, Marilyn Butler, and Lawrence Lipking provide diverse perspectives.

A Chronology and Selected Bibliography are also included.

From reader reviews:

Arturo Hasan:

In this 21st hundred years, people become competitive in each way. By being competitive at this point, people have do something to make these survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the item for a while is reading. Yep, by reading a guide your ability to survive raise then having chance to remain than other is high. For you who want to start reading a book, we give you this particular Frankenstein book as starter and daily reading publication. Why, because this book is more than just a book.

Elizabeth Brown:

The book with title Frankenstein contains a lot of information that you can find out it. You can get a lot of benefit after read this book. This book exist new knowledge the information that exist in this book represented the condition of the world right now. That is important to yo7u to understand how the improvement of the world. This particular book will bring you throughout new era of the syndication. You can read the e-book in your smart phone, so you can read this anywhere you want.

Earl Hess:

People live in this new moment of lifestyle always aim to and must have the extra time or they will get lot of stress from both way of life and work. So , if we ask do people have free time, we will say absolutely of course. People is human not just a robot. Then we request again, what kind of activity do you possess when the spare time coming to you of course your answer will certainly unlimited right. Then do you try this one, reading guides. It can be your alternative within spending your spare time, typically the book you have read is usually Frankenstein.

Irving Wile:

This Frankenstein is great book for you because the content that is certainly full of information for you who always deal with world and possess to make decision every minute. This kind of book reveal it details accurately using great manage word or we can state no rambling sentences inside. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with wonderful delivering sentences. Having Frankenstein in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen small right but this e-book already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt that?
