*Please Take Me Home Before Dark* provides inspiration, information, and support to family members and caring professionals of Alzheimer's patients (and other forms of dementia). Using a writing style that is warm, yet instructive; serious, though sometimes humorous; and highly personal, yet medically reliable, the authors share their mother's progression through Alzheimer's to benefit others facing the same situation. Although intensely personal, the book also magnifies meanings and provides practical help. Each chapter includes a sensitive, poetic introduction; an empathetic and informative description of the Alzheimer's process; poignant personal illustrations; and at-a-glance sections to help readers map the patient's journey and provide loving care with hope and confidence.
