## Shift Happens (A Carus Novel Book 1) J. C. McKenzie

Government assassin Andrea McNeilly's job normally requires keeping her mouth shut and not asking questions. Not anymore. Despite her sass and unique skills as a Shifter, she's out of luck.

After a botched hit on a Vampire's human servant, Andy's on the run. Right in her way is an over-sized Werewolf Alpha with the attitude of a brute and allure of a Norse god. An assassin requires a heart of stone, but the passion provoked by Wick puts a chink in Andy's emotional armor.

Andy's desire to trust Wick is blocked by her painful past and Wick's allegiance to the very Vampire who now owns her future. Can Andy reconcile her yearnings for Wick and discover the truth behind the kill order? Or has destiny already selected her for a horrific fate?

**This is a new release of a previously published edition.**
