The Bitter Land (The Duty and Destiny Series Book 2) Andrew Wareham

The Duty and Destiny Series: By Andrew Wareham, the author of the highly acclaimed, 'A Poor Man at the Gate Series.' **Please Note:** The novels are best read in series order.

First published in July 2014, The Duty and Destiny Series is a superbly-crafted family saga with a strong naval/seafaring theme. Set in the period of the French Revolutionary War (1793 – 1802). The series follows the naval career, loves and business dealings of Englishman, Frederick Harris, the son of a Hampshire landowner. He is a brave but reluctant mariner. Despite his disinclination, he is seemingly destined to become a Master and Commander of his own ship.

Book Two – The Bitter Land..:

Frederick returns to England where he faces some months of half-pay on land – there are always more officers than ships. He marries his sweetheart and settles to a quiet life, he hopes; after a few months he is selected for a dangerous but potentially rich mission, picked out because he now has a reputation as a risk-taker. But unforeseen complications may destroy his career...

Expecting several years on shore he buys an old-fashioned estate and appears to be settled again when tragedy strikes and he is able to use his influence to take a command sailing 'far foreign.'
