The Tycoon's Captured Heart Elizabeth Lennox

For years, Grayson had watched Scarlett grow up. At first, there had just been a connection, something that drew the two of them together. But as the small girl grew into a beautiful woman, he knew that over the years, he'd fallen in love with her.

And then she'd asked him to teach her how to attract a man! If any of his competitors knew what a soft spot he had for this woman, he'd have to destroy them. But there it was. He could crush his competition without breaking a sweat, but he couldn't deny Scarlett when she asked him for help.

Scarlett had loved Grayson since she was a young teenager, and the feeling had only grown stronger as the years had passed. But every time she'd decided that she was going to tell him about her feelings, the man had yet another paramour on his arm. She hated him and loved him...and had no idea how to break out of this painful cycle. How could she convince him that she could love him better than all of those silly women? Or failing that, how could she move on with her life?
