## **A Crack in Everything** Vanessa Carlisle

"Get ready: while other books may show up carefully dressed, this one answers the door in her underwear."

-SARK, Author, Artist, Creative Fountain, PlanetSARK.com

"...a new, exciting voice in fiction...A truly impressive debut novel that announces Carlisle as a writer to watch."

-Rob Roberge, author of Working Backwards from the Worst Moment of My Life

"The characters that inhabit this sharp and witty novel are troubled, impoverished, confused, lost, sexually frustrated, and intellectually unfulfilled. So...basically everyone I know."

-Mike Barker, Co-Creator and Head Writer, American Dad!

"...saucy writing yet tender and heart-felt characters...bridges an unusual but empowering sisterhood between girls-next-door and girls-on-stripper-poles. It's about time!"

-Jennifer Musselman, author of Own It! The Ups & Downs of Homebuying for Women Who Go It Alone

Twenty-five-year-old Tamina is a sharp-witted Jersey girl living in Hollywood with a near-phobic response to mismatching colors, an addiction to pedicures, and a hectic job teaching comprehensive sex education to urban youth. Suffering the consequences of a violent assault, Tam looks for relief in romance and LA's underground erotic entertainment scene. However, when Tam's young attacker unexpectedly resurfaces among a crowd of drag queens, porn stars, and musicians, Tam finally must make real choices. Fear or confrontation. Cynicism or curiosity. Silence or honesty. It would be surreal, if it wasn't LA.

#### **Jane Rich:**

Many people spending their period by playing outside with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by reading through a book. Ugh, you think reading a book can really hard because you have to use the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smart phone. Like A Crack in Everything which is keeping the e-book version. So , why not try out this book? Let's observe.

#### **Dennis Rodriguez:**

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this A Crack in Everything can make you really feel more interested to read.
