**An account of the life and death of ... Mr. Matthew Henry, ... who died June 22d, 1714, ... Chiefly collected out of his own papers, and faithfully published by W. Tong.** Matthew Henry

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars.

The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century.

**James Wood:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library as well as to

make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this An account of the life and death of ... Mr. Matthew Henry, ... who died June 22d, 1714, ... Chiefly collected out of his own papers, and faithfully published by W. Tong. can make you feel more interested to read.
