Dinner with Flexi: A Bite-Sized Cyberpunk Satire Jason Werbeloff

Twice an hour. Twenty hours a day. Two hundred and eighty johns a week. Standard working hours for a sex bot.

I don't want to sound ungrateful. Someone has to keep the human men happy. Since The Drought, there are no women left to satisfy them – the Ministry decided women make good meat. Anyway, I have two years left on my debt repayments to Sexi Corp, and I need the cash.

Then, I'll be free ... or that's what The Manual says.

Dinner with Flexi is a vicious, bite-sized cyberpunk satire. Served with a generous portion of mammary sauce.

Categories: psychological horror tragedy science fiction gore, twisted fairy tales creepy stories brutal bloody captivating scifi , violence against women strong female lead female power, philosophical fiction twilight zone stories surprise endings, psychological horror suspense dystopian futuristic violence, feminist scifi psycho thrillers cyberpunk adventure, robotic love shocking body satire
