Incognito Gregory Murphy

An elegant literary mystery set during the Gilded Age.

New York City, 1911. Representing the widow of a Wall Street financier, lawyer William Dysart travels to a small Long Island town with a generous offer for Miss Sybil Curtis's cottage and five acres of land. But when Sybil refuses to sell, the widow threatens to use her influence with the state to seize the property.

Intrigued by Sybil's defiance and afflicted by a growing affection for her, William develops a desire to help her that becomes an obsession he cannot define, one that tears away the facade of his life, and presents him with truths he's unprepared to face.
