Adult content: Over-18s only. Sandra and her friend Monica are having a late-summer holiday on the South Coast of England. Monica is shocked when Sandra pees off the end of the pier, not at all shy about who might see her: but only because Monica likes to keep her excesses more private. She finds out it's fun, and soon joins in her friend's games.

They meet two men in the men's toilets and spend some time sharing their golden showers; Monica surprises her friend with a demonstration of her own speciality when she deep-throats one of the men. Then back at the hotel they have more wild and wet games.

The next day the girls go to a football match, where they again urinate in the gents toilet, and then they take on all comers in a public gang-bang.

The next day finds them on a nudist beach, with inevitable results!

Do not buy if graphic descriptions of sexual activity and erotic urination might offend you. You may even like to consider navigating away from the adult area of this bookshop!
