Submission takes many forms in this collection of 69 short stories, from straining in bondage to taking a spanking, being put on display, and beyond. By turns bratty and worshipful, these submissives will go to great lengths to fulfill their naughtiest fantasies and are rewarded splendidly by their masters and mistresses. A student returns to show his former teacher who's really in charge, a photo shoot becomes an opportunity for erotic games, and a man revels in his wife's past as a former dominatrix. These brats, masochists, and hungry-for-sensation subs go above and beyond for the ones they adore, pushing themselves to new limits while their devious dominants put them through their paces. Edited by Rachel Kramer Bussel, these short stories sizzle with the tension of erotic power play, commands followed, and service willingly performed.
