The Disciple's Comprehensive Toolkit Karen Edwards

The Disciple's Comprehensive Toolkit provides the reader with all the tools required to effectively disciple for Christ. While we often hear that we are to be disciples to others, many lay Christians have no idea how to start. We feel inadequately equipped. "How do I disciple?" "I am too new at this to disciple." "I do not feel equipped to be a disciple." These are all great comments that I have heard while participating in church Bible studies and youth groups. The church often prepares people to be believers but does little to equip them to be real disciples of Christ. As Christians, we are all ministers and disciples of God.
