Thunderbird Jon Konrath

Absurdist writer Jon Konrath returns with another collection of hilarious and demented flash fiction. Descend into a manic world of Kafkaesque insanity and paranoia including FDA drone strikes against weight-loss clinics, amputee porn, a celebrity kickboxing match between Yo Yo Ma and Manuel Noriega, and hobby shop exorcisms. The author of the cult classic *Rumored to Exist* continues his surreal nonlinear journey through a nightmarish terrain of Jeff Spicoli-themed restaurants, indian casino abortion clinics, and an apocalyptic landscape laced with insane humor and nonstop non sequitur references to pop culture, medical technology, military machinery, and extreme heavy metal. This collection of 26 short stories and flash fiction pieces explores the human element through deranged comedy in what demonstrates Konrath's bizarre style of experimental writing. Bonus: The paperback edition of *Thunderbird* also includes the short story "The Zombies of Kilimanjaro," an undead parody of the Hemingway classic.

From reader reviews:

Estella Powell:

Here thing why that Thunderbird are different and trusted to be yours. First of all reading a book is good but it really depends in the content of it which is the content is as delicious as food or not. Thunderbird giving you information deeper since different ways, you can find any book out there but there is no reserve that similar with Thunderbird. It gives you thrill studying journey, its open up your own personal eyes about the thing in which happened in the world which is might be can be happened around you. It is easy to bring everywhere like in area, café, or even in your means home by train. For anyone who is having difficulties in bringing the published book maybe the form of Thunderbird in e-book can be your alternative.

Linda Henderson:

The e-book with title Thunderbird has a lot of information that you can learn it. You can get a lot of benefit after read this book. This specific book exist new knowledge the information that exist in this guide represented the condition of the world now. That is important to yo7u to understand how the improvement of the world. This kind of book will bring you with new era of the syndication. You can read the e-book on your smart phone, so you can read the item anywhere you want.

Mathew Holstein:

Do you have something that you want such as book? The e-book lovers usually prefer to choose book like comic, small story and the biggest the first is novel. Now, why not striving Thunderbird that give your enjoyment preference will be satisfied simply by reading this book. Reading behavior all over the world can be said as the opportunity for people to know world better then how they react towards the world. It can't be mentioned constantly that reading behavior only for the geeky man but for all of you who wants to possibly be success person. So , for every you who want to start looking at as your good habit, you could pick Thunderbird become your own personal starter.

Kimberly Hogan:

A lot of guide has printed but it differs from the others. You can get it by internet on social media. You can choose the best book for you, science, comedian, novel, or whatever simply by searching from it. It is named of book Thunderbird. Contain your knowledge by it. Without departing the printed book, it can add your knowledge and make a person happier to read. It is most essential that, you must aware about reserve. It can bring you from one destination for a other place.
