Women and Men

Joseph McElroy

Women and Men Joseph McElroy

Beginning in childbirth and entered like a multiple dwelling in motion, *Women and Men* embraces and anatomizes the 1970s in New York?from experiments in the chaotic relations between the sexes to the flux of the city itself. Yet through an intricate overlay of scenes, voices, fact, and myth, this expanding fiction finds its way also across continents and into earlier and future times and indeed the Earth, to reveal connections between the most disparate lives and systems of feeling and power. At its breathing heart, it plots the fuguelike and fieldlike densities of late-twentieth-century life. McElroy rests a global vision on two people, apartment-house neighbors who never quite meet. Except, that is, in the population of others whose histories cross theirs?believers and skeptics; lovers, friends, and hermits; children, parents, grandparents, avatars, and, apparently, angels. For *Women and Men* shows how the families through which we pass let one person's experience belong to that of many, so that we throw light on each other as if these kinships were refracted lives so real as to be reincarnate. A mirror of manners, the book is also a meditation on the languages?rich, ludicrous, exact, and also American?in which we try to grasp the world we're in. Along the kindred axes of separation and intimacy *Women and Men* extends the great line of twentieth-century innovative fiction.

From reader reviews:

Sarah Fernandez:

Inside other case, little folks like to read book Women and Men. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important some sort of book Women and Men. You can add information and of course you can around the world with a book. Absolutely right, mainly because from book you can realize everything! From your country till foreign or abroad you will be known. About simple matter until wonderful thing it is possible to know that. In this era, you can open a book or searching by internet unit. It is called e-book. You may use it when you feel weary to go to the library. Let's learn.

John Lien:

People live in this new moment of lifestyle always try to and must have the spare time or they will get great deal of stress from both lifestyle and work. So , when we ask do people have spare time, we will say absolutely indeed. People is human not just a robot. Then we inquire again, what kind of activity have you got when the spare time coming to you of course your answer will certainly unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, often the book you have read is definitely Women and Men.

Mary Gobeil:

Playing with family in the park, coming to see the ocean world or hanging out with good friends is thing that usually you could have done when you have spare time, subsequently why you don't try issue that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Women and Men, you are able to enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout people. What? Still don't buy it, oh come on its referred to as reading friends.

Margaret Conley:

Are you kind of active person, only have 10 as well as 15 minute in your day to upgrading your mind talent or thinking skill actually analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your short space of time to read it because all this time you only find publication that need more time to be examine. Women and Men can be your answer given it can be read by you actually who have those short time problems.
