**Ecrits: The First Complete Edition in English** Jacques Lacan

**“Fink’s precise new translation makes this pivotal period in Lacan’s thought more accessible to English speakers.”?Publishers Weekly, starred review**

Brilliant and innovative, Jacques Lacan's work lies at the epicenter of modern thought about otherness, subjectivity, sexual difference, the drives, the law, and enjoyment. This new translation of his complete works offers welcome, readable access to Lacan's seminal thinking on diverse subjects touched upon over the course of his inimitable intellectual career.
