## Post-Colonial Cultures in France

Ethnic minorities, principally from Africa, Asia, the Caribbean and the surviving remnants of France's overseas empire, are increasingly visible in contemporary France. *Post-Colonial Cultures in France* edited by Alec Hargreaves and Mark McKinney is the first wide-ranging survey in English of the vibrant cultural practices now being forged by France's post-colonial minorities.

The contributions in *Post-Colonial Cultures in France* cover both the ethnic diversity of minority groups and a variety of cultural forms ranging from literature and music to film and television. Using a diversity of critical and theoretical approaches from the disciplines of cultural studies, literary studies, migration studies, anthropology and history, *Post-Colonial Cultures in France* explores the globalization of cultures and international migration.
