I'm about to attend the sexiest family reunion I've ever been to...

Willie and I... Have a bit of a history together... Living under the same roof as teenagers, in such close proximity, it seems in hindsight that it was inevitable for what happened between the two of us to have taken place...

Now, after all this time, I'm about to see him again, the two of us planning to meet once more at a family reunion. Will he even be there?

Should I even attend this usual boring event? Or, will this reunion, be one to never forget?

This suspense is unbearable...
