Stripped Lauren Dane

Stripped is a novella that was previously published in the What Happens in Vegas... anthology, published with Spice in 2008 - now available as a digital novella on its own as of 11/16/15.

Behind closed doors, the real games begin...

Winning it big. That's the name of the game at Las Vegas's Liege Hotel and Casino, where the hottest fantasies hinge on a roll of the dice...and the tantalizing knowledge that anything could happen before sunrise.

Dahlia is a burlesque dancer with a brain for business and a bod for sin. Her latest admirer may be a sweet--talking Casanova, but despite what he thinks she's not giving anything away for free.
