## **The Undertaker's Dumbest Storylines** Stuart Carapola

Despite being one of the most respected and popular wrestlers in the history of WWE, the Undertaker has been the subject of some of the most cartoonish, offensive, and downright silly storylines ever seen in professional wrestling.

The Undertaker's Dumbest Storylines takes a trip back in time and looks at the worst of the worst. Whether the Undertaker was sacrificing other wrestlers, being investigated by the Naked Gun's Leslie Nielsen, becoming the victim of radical terrorist attacks, or killing his own manager by burying him alive in concrete, these are the storylines that would have immediately killed any other wrestler's career, but for the Undertaker, were just another day at the office.

This book also includes the following bonus features:

- The Undertaker vs Triple H Trilogy
- The Ten Most Crushing Losses In Wrestlemania History
- The History Of Yokozuna
