Real Life Straight Guys having Gay Sex

Then I heard someone coming in. It was Lyle our starting fullback. He kind of snuck up on me and he startled me. For one thing, when I first got into the tub my hand went to my large cock. I had been sitting there for a half an hour slowly stroking myself. My big cock was hard as it gets; and then I saw Lyle walking back toward the hot tub. Hands off, I told myself.

Lyle put his stuff down on the table right next to the hot tub and next came a scene that I've never forgotten. He was directly across the hot tub from me and began to strip naked. First, he took off his t-shirt to reveal a perfect, chiseled, smooth, muscular torso. His biceps were huge and ripped with indentations in the sides from being so lean and big. And then a moment came that changed my life, As Lyle lowered his gym shorts, I stared right at his long, thick cock hanging straight down and it was much bigger than mine!
