Scarred Beautiful Beth Michele
Love believes in second chances.

Francis Heller lives with two truths. Love hurts and beauty is only skin deep.

With midnight black hair, moss-colored eyes, and traceable curves, Fran is the picture of beauty and confidence...on the outside. But deep down she is tormented. Not just by the jagged scars that line her body, but by the horrible memories that cloud her mind and haunt her dreams. The ones that make her want to flee from herself and from the devastating pain. The ones that cause her to placate herself with sex. Anything to make her forget. But for Fran, there's nowhere to hide from the darkness that swallows her whole.

Matt Dixon is the gorgeous brother of her best friend's fiancée. He's suffered losses of his own and isn't willing to let anyone in until his unexpected encounter with Fran Heller, the girl who challenges him and causes him to take a second look, not only at her, but at his own life.

But Matt has scars of his own.

Together can they help each other discover that second chances really do exist? That love doesn't have to hurt? Or has the damage they've both suffered cut too deep to ever heal?

**Contemporary Romance with language, mature sexual content/situations, and is only recommended for readers 18 years of age and older **(less)
