Woman in Hot Water [Menage Amour: Erotic Menage a Trois Romance, M/M/F with M/M, HEA]

Unemployed and homeless, Kendra gets a job at the local Aquatic Center. Her new boss, Osborne, is very yummy, but he's partnered to Jordan. When she's offered a threesome with two such delicious men, how can she say no? And with so many opportunities to see their semi-naked bodies, being a good girl is not that easy either. Fun on the waterslide, a hot time in the sauna, slick, gleaming muscles in the gym... When Jordan deduces that Kendra is sleeping in her car, the men ask her to stay in their guest room. She's hesitant, but allows them to persuade her. Despite the best sex of her life, Kendra is determined to move into an apartment of her own as soon as possible, so she goes house-hunting. The men don't like either of the places she chooses. She can't risk losing her job but values her independence too. ** Cold Woman, Hot Men [Menage Amour: Erotic Menage a Trois Romance, M/M/F, with M/M, HEA] Melusine Carmichael mistakes the plunge pool at the Aquatic Center for a regular pool and almost drowns with the sudden shock of the icy-cold water. While underwater she hears a voice calling her "Melly," a name she never uses. Yehudi and Arlington are nearby in the sauna and rescue her, using their personal body heat and the sauna to warm her up. They keep in contact with her via Facebook, and finally convince her to let them teach her to swim. But Mel hears the voice again and worries that they're stalking her, so she cuts contact with them. Yehudi and Arlington try everything to see her and she prevents them, so they meet her parents after their swimming class. They learn about the voice saying "Melly" and that someone is stalking her. But who is it? And how can they get Mel to spend time with them again so they can convince her of their innocence? ** Small Woman, Big Trouble [Menage Amour: Erotic Menage a Trois Romance, M/M/F, light bondage, spanking, fisting, HEA] Deb Steele hikes through a Water Authority reservation. But houses are being built on one section of it, and she can't get home. She phones Kai Cole, and he and Harry Anders come to get her. While she's waiting for them, her cell phone battery dies and a young man turns up on an electric scooter. When he realizes she's quite alone, he plans to sexually assault her. She escapes from him just as Kai and Harry arrive. Kai worries about how he can protect Deborah if this man is following her, and Harry suggests they learn karate. Kai decides the only way their beginning threesome relationship can progress further is if they all move in together. But, as Deb is leaving work late that evening, the attacker jumps her once again. Why is he after her? How can the men protect her? And will they ever have enough time to build their friendship into a genuine relationship? ** A Siren Erotic Romance
