You're about to discover what you need to know to take control of your emotions so your emotions stop controlling you in an easy to understand format. This book contains proven steps and strategies on how to effectively keep the bubble from bursting every time you encounter a situation that is anything outside than the emotional output you are capable of handling. Emotions can be a tricky thing, they can be caused by deep rooted pains that could have possibly stemmed from childhood; alternatively, they might just be the cause of a short fuse and a lack of patience towards, well, everything. People that may have frequent emotional outbursts may find themselves in a state of regret where they wish they hadn't done something, but still know that it WILL happen again at one time or another. It may be simple enough to tell yourself that you will stay calm, you will stay calm, you will stay calm, but when the surge of emotions comes upon you, you may find yourself giving yourself excuses such as 'I have to do this', 'I can't help it', 'it's not my fault' and regret what you just did the millisecond after that. Emotionally unstable people make excuses for themselves in order to deal with regret: 'he started it', 'I was provoked', 'it was just too much', and 'anyone would have reacted the same way'. This book will help you put an end to the regret and the excuses and begin by helping you pin point the root of the cause of your emotional outbursts; and once found, strategies to eradicate your psyche of these inappropriate feelings while you still can. I wish you all the success in the world as you take this first step at controlling your emotions so your emotions no longer control you. Remember... you can take control of your emotions and this book will help you do it!
