Introducing Psychoanalysis: Essential Themes and Topics

Introducing Psychoanalysis: Essential Themes and Topics

Introducing Psychoanalysis brings together leading analysts to explain what psychoanalysis is and how it has developed, setting its ideas in their appropriate social and intellectual context.

Based on lectures given at the British Psychoanalytic Society, the contributions capture the diversity of opinion among analysts to provide a clear and dynamic presentation of concepts such as:

- sexual perversions
- trauma and the possibility of recovery
- phantasy and reality
- interpreting and transference
- two views of the Oedipus complex
- projective identification
- the paranoid-schizoid and depressive positions
- symbolism and dreams.

Frequently misunderstood subjects are demystified and the contributors' wealth of clinical and supervisory experience ensures that central concepts are explained with refreshing clarity. Clinical examples are included throughout and provide a valuable insight into the application of psychoanalytic ideas. This overview of the wide variety of psychoanalytic ideas that are current in Britain today will appeal to all those training and practicing in psychoanalysis and psychoanalytic psychotherapy, as well as those wishing to broaden their knowledge of this field.

From reader reviews:

David Stephenson:

Reading a publication tends to be new life style on this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Having book everyone in this world could share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their reader with their story or maybe their experience. Not only the story that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some study before they write on their book. One of them is this Introducing Psychoanalysis: Essential Themes and Topics.

Tasha Banda:

Why? Because this Introducing Psychoanalysis: Essential Themes and Topics is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking means. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.

Clyde Miller:

Your reading sixth sense will not betray you actually, why because this Introducing Psychoanalysis: Essential Themes and Topics guide written by well-known writer whose to say well how to make book which can be understand by anyone who have read the book. Written throughout good manner for you, leaking every ideas and creating skill only for eliminate your own personal hunger then you still doubt Introducing Psychoanalysis: Essential Themes and Topics as good book not only by the cover but also from the content. This is one book that can break don't assess book by its protect, so do you still needing yet another sixth sense to pick this particular!? Oh come on your reading through sixth sense already said so why you have to listening to an additional sixth sense.

Erick Graf:

E-book is one of source of understanding. We can add our understanding from it. Not only for students but in addition native or citizen require book to know the revise information of year to be able to year. As we know those publications have many advantages. Beside many of us add our knowledge, can also bring us to around the world. By book Introducing Psychoanalysis: Essential Themes and Topics we can acquire more advantage.
