New Issues in Polar Tourism: Communities, Environments, Politics

New Issues in Polar Tourism: Communities, Environments, Politics

New Issues in Polar Tourism traces and analyzes a decade of growing interest in the polar regions, and the consequent challenges and opportunities of increasing tourist traffic in formerly remote and seldom-visited places. The book arises from the recently-formed International Polar Tourism Research Network (IPTRN), and documents the outcomes of its 2010 conference, held at Sweden's Abisko Scientific Research Station.
