Tranquility's Grief Krista D. Ball

As the bodies of her father and her sister burned, Bethany refused to say good-bye. She would say it only when she saw the release of their spirits and the burning of every person connected to their deaths. Only then would they rest in peace. Thousands are dead. Lady Champion Bethany's tainted sister is slain. Her home lost forever. And Magic yet survives. Bethany thought she'd given everything in the fight against Magic. She was wrong. When the deaths of those closest to her shake her already crumbled world, she doesn't wilt and die. She still has one thing left to gain even now: revenge. Prophecy or no, half-goddess or not, Bethany vows to bring order back to the world with the edge of her blade. No matter who she must defy. No matter what stands in her way. No matter who must die. For what they've done to her, all will pay.
