Waffen SS: The encyclopedia Marc J Rikmenspoel

World War II spawned some of the most famous - and infamous - fighting organizations the world has ever known. None was more feared by its battlefield foes or more hated by political enemies of the Nazi regime than the Waffen-SS. Six decades after the last SS unit capitulated or was annihilated, the facts about many aspects of this organization are still shrouded in legend and half-truth. Loathed by many as a criminal organization, yet admired by some for the esprit, resolve, and valor of its component units and individuals, the Waffen-SS was unarguably a highly-complex, multi-faceted phenomenon, unique among the military organizations of the world. Marc Rikmenspoel, author of *Soldiers of the Waffen-SS: Many Nations, One Motto*, has crafted the ultimate reference for those trying to understand the intensely controversial and complicated nature of the Waffen-SS. A comprehensive overview that will be useful to historians, buffs, wargamers, and re-enactors alike, no matter what your predisposition to the Waffen-SS, you will learn a great deal from this book. The book includes a concise history of every one of the major fighting formations of the Waffen-SS (those designated as "divisions"). Sections include: * Formations * Structure of Divisions * Germans * Germanics * Non-Germans and Non-Germanics * Leading Personalities * Weapons * Misconceptions and Controversies * Weapons Tables

From reader reviews:

Marjorie Ingram:

What do you consider book? It is just for students because they are still students or that for all people in the world, exactly what the best subject for that? Just you can be answered for that issue above. Every person has several personality and hobby for each other. Don't to be obligated someone or something that they don't need do that. You must know how great along with important the book Waffen SS: The encyclopedia. All type of book could you see on many solutions. You can look for the internet resources or other social media.

Patricia McGuire:

Do you among people who can't read enjoyable if the sentence chained in the straightway, hold on guys this aren't like that. This Waffen SS: The encyclopedia book is readable by means of you who hate those straight word style. You will find the data here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to deliver to you. The writer connected with Waffen SS: The encyclopedia content conveys thinking easily to understand by many individuals. The printed and e-book are not different in the written content but it just different in the form of it. So , do you even now thinking Waffen SS: The encyclopedia is not loveable to be your top checklist reading book?

Mary Muncy:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Waffen SS: The encyclopedia can make you truly feel more interested to read.

Barry Bennett:

Reserve is one of source of know-how. We can add our knowledge from it. Not only for students but additionally native or citizen need book to know the revise information of year to year. As we know those ebooks have many advantages. Beside all of us add our knowledge, can bring us to around the world. With the book Waffen SS: The encyclopedia we can have more advantage. Don't someone to be creative people? For being creative person must want to read a book. Only choose the best book that acceptable with your aim. Don't be doubt to change your life with this book Waffen SS: The encyclopedia. You can more attractive than now.
