Ebola. Even the name of the virus conjures up mental images of a gruesome, agonizing, bloody death. Anyone who has scanned the news headlines lately has, at the very least, an inkling that a horrible disease is on the loose. It's anyone's best guess how soon this becomes a pandemic on American soil. While the Center for Disease Control and the World Health Organization have both expressed serious concerns that we are on the brink of disaster, border enforcement agencies seem blithely unconcerned. It's really up to you to protect your family. This is a collection of some of the best information in the preparedness community to help keep you and your family safe throughout this potential pandemic. Checklists are provided at the end of the book to help you gather the necessary supplies quickly and efficiently.
