Fern Michaels' Godmothers Bundle: The Scoop, Exclusive, Late Edition, Deadline & Breaking News (The Godmothers) Fern Michaels These Are Not Your Fairy Godmothers

The debut of a wonderful new series, *The Scoop* is #1 *New York Times* bestselling author Fern Michaels's introduction to The Godmothers, four unforgettable women who are about to get a whole new lease on life. .

.LIFE STARTS NOW

Teresa "Toots" Amelia Loudenberry has crammed a great deal of living--not to mention eight much-loved husbands--into her varied and rewarding life. Once again single, Toots is ready to taste life again, and fate has just handed her the perfect opportunity. . .

The owner of the gossip rag where Toots's daughter works is about to lose the paper to his gambling debts. Eager to keep her daughter employed among the movers and shakers of Hollywood, Toots calls on her three trusted friends--Sophie, Mavis, and Ida--to help pull some strings. Together, they hatch a plan that proves you should never underestimate Southern ladies of a certain age, and that each day can be a gift, if you're willing to claim it. . .

Praise for Fern Michaels and the Godmothers series

"Michaels's engaging version of the Golden Girls." --*Booklist*

"Witty, charming, and complicated." --*RT Reviews*

When Toots Loudenberry relocated to Los Angeles from South Carolina to be near her daughter, Abby, she expected to bump into the occasional celebrity. She just never expected them to be dead. Meanwhile, Toots, Sophie, and Mavis are concerned that the prestigious Dr. Sameer's budding romance with Ida may have something to do with his ailing bank balance. And Abby's attempted makeover of the celebrity magazine *The Informer* into the most talked-about tabloid in town could end more than just her career.

But the Godmothers wouldn't be the Godmothers if they weren't pulling a few behind-the-scenes strings, and Abby's hopes of changing the fortunes of *The Informer* are still alive. Yet it'll take an assist from a source no one could have predicted, let alone see, to secure a story that will shake Tinseltown to its very core. . .

LEAVING LA LA LAND

Teresa "Toots" Loudenberry has a knack for finding adventure, even when she's not looking for it. But ever since Sophie convinced her friends to start holding regular séances, life in Los Angeles is getting a little too dramatic even for Toots's tastes. When Ida receives a message from the beyond suggesting that her late husband was murdered, a spooked Toots decides it's time the Godmothers left LA for her hometown of Charleston. . .

No sooner have Toots Loudenberry and her three best friends—Sophie, Ida, and Mavis—returned from Sacramento, where Sophie provided some much-needed psychic advice to the First Lady of California, when another situation demands their attention. . .

Laura Leigh, a Hollywood starlet whose main talent seems to be landing in trouble, is missing. Toots' daughter, Abby, has both a personal and professional stake in the story. Not only is she editor-in-chief at gossip magazine *The Informer*, but entertainment attorney Chris Clay, Abby's would-be beau, was the last person seen with Laura. And now he's missing, too.

Life Is Full Of Surprises

Teresa "Toots" Amelia Loudenberry has her quirks, but no one--especially not her trusted friends Sophia, Ida, and Mavis--would ever question her loyalty. So it's no surprise when Toots decides to extend her stay in Charleston to help care for her ailing housekeeper.
