Inked

Carey Hart, Bill Thomas

Inked Carey Hart, Bill Thomas

A dynamic and revelatory collection from the legendary extreme sports star?and tattoo aficionado?Carey Hart.

Freestyle motocross champ Carey Hart is a heavily tattooed celebrity, whose studio, Hart & Huntington Tattoo in Las Vegas, was featured on A&E's hit reality series *Inked*. The shop caters to rock stars, celebrity VIPs, locals, and tourists, who all clamor for Hart & Huntington's original and irreverent tattoos. Carey now brings this unique mix of attitude and beauty to *Inked*, which features 75 evocative portraits that confound and surprise. There are photos of seemingly ordinary people?businessmen, schoolteachers, and mothers?in their everyday dress juxtaposed with images that unveil their elaborate tattoos. There are also hip and sultry photos of tattooed Las Vegas starlets and rockers, plus enthusiasts of all shapes and ages. Personal stories of first tattoos, design inspirations, the process, and the joys and regrets that accompany skin art, as well as an introduction and history of the tattoo by Carey, combine to form an exciting tapestry of what tattoos mean today. Packed from head to toe with Las Vegas glamor and edge, *Inked* is illuminating and provocative, with more substance and style than anything else in the category.

From reader reviews:

Maria Kraus:

With other case, little people like to read book Inked. You can choose the best book if you'd prefer reading a book. Provided that we know about how is important a book Inked. You can add information and of course you can around the world by just a book. Absolutely right, simply because from book you can know everything! From your country until eventually foreign or abroad you can be known. About simple matter until wonderful thing you may know that. In this era, we could open a book or perhaps searching by internet device. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's read.

Diane Reid:

The book Inked can give more knowledge and also the precise product information about everything you want. Exactly why must we leave a very important thing like a book Inked? A few of you have a different opinion about book. But one aim that book can give many data for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or data that you take for that, you could give for each other; it is possible to share all of these. Book Inked has simple shape but the truth is know: it has great and big function for you. You can look the enormous world by open up and read a guide. So it is very wonderful.

Willie Dreher:

Information is provisions for individuals to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even a huge concern. What people must be consider whenever those information which is inside the former life are challenging to be find than now could be taking seriously which one is appropriate to believe or which one often the resource are convinced. If you have the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take Inked as the daily resource information.

Sandra Wright:

Spent a free time for you to be fun activity to accomplish! A lot of people spent their leisure time with their family, or their very own friends. Usually they doing activity like watching television, about to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Could be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to test look for book, may be the guide untitled Inked can be excellent book to read. May be it is usually best activity to you.
