Master of the Straight Line, the unauthorized sequel to Jordan Belfort's "The Wolf of Wall Street", is based on a startling true story. All names have been changed to protect the guilty and the innocent. Ginger Rogers suddenly enters the world of greed and becomes a master of the Straight Line Sale, partaking in her fair share of everything that comes with it. Working for the notorious brokerage two years before their demise, Ginger recalls The True Story of Stratton Oakmont. This was no ordinary firm! Although her yellow Testarossa made the trip in just 20 minutes, Stratton Oakmont was miles outside of the reaches of Wall Street. From the over-indulgent parties and irresistible temptations to her very own 15minutes of fame, Ginger's life would never be the same.
